<b>Program</b>	LINC Program - ERLT
<b>Departments</b>	Language
<b>Reports to</b>	LINC Lead Coordinator

### Who WE are?

The Saskatchewan Intercultural Association (SIA) is a social impact organization and was originally established in 1964 with culture at the core of its programs and services. SIA's employment programs are for Newcomers and Indigenous people with the objective of helping them learn about workplace culture and expectations while supporting them find employment. SIA's settlement programs support Newcomers to learn English, develop local life skills, and understand Canadian society so they can integrate more fully into the local community. The agency's intercultural programs provide opportunities for everyone to learn through heritage language training, cultural dance and performance, and intercultural and anti-racist education. Let's just say we are crazy about **CULTURE** and we are also a Great Place to Work.

### Who YOU are?

As a LINC Instructor, you are an integral part of the SIA team and bring your passion for teaching. You will create safe and engaging environments where Newcomers can learn the English language and cover topics that provide information on employment, culture, and local resources that make integration easier. You will work with a team of very creative and purpose driven individuals from all nations and act on SIA values of **Respect, Compassion, Trust, Inclusion and Kinship**.

### What do WE offer?

At SIA, we are all about people and culture. We are truly a team in every sense: we trust one another and support each other towards a common goal. Every day through our programs we make a real difference to real people. By joining our team, you will be surrounded by highly motivated and passionate people. You will always be learning and improving in our consistently fun, safe, inclusive and a challenging environment. We will have your back so you can deliver results and do amazing work for your clients.

### How will YOU-WE work?

Everyone's safety and welfare are our key priorities. That being said, we do not want to let COVID-19 prevent us from doing the work that matters. We are utilizing all kinds of alternative methods in delivering our programming. Under the current circumstances, this position will be working mostly from home through several virtual means and connecting with clients and team members through online tools like Zoom, Moodle, EduLINC, and Microsoft Suite. Some in-person class time with clients is required of this position with safety precautions and procedures in place.

If you are the right candidate who is passionate, have the right skills and can adapt quickly to any situation, please review further details on the position.
