Re-Igniting Sacred Fires

In honouring and commemorating the lives and legacies of missing and murdered Indigenous women, girls and two-spirit individuals, Re-Igniting Sacred Fires raises awareness of the National Inquiry into Missing and Murdered Indigenous Women and Girls Calls for Justice, and the Indigenous women, girls and 2SLGBTQ+ who are affected by this reality. Alicia and Linda will speak on the projects they deliver through this initiative as well as Honouring Her Spark. Together these ladies work and speak for the ones who do not have a voice and have not been heard.

Thursday: May 05, 2022, 1:00 -3:00 p.m.
